COACHES CORNER

Dear Paladin faithful,

The fall season proved to be a great start for our 2009-2010 season. Our team compiled a first, second, third, and fifth place finish after five starts. Closing out the fall season, the Lady Paladins took home the 1st place hardware with a 7 stroke victory at FIU, in Ft. Myers, FL. This young team has already shown a tremendous amount of poise and growth. We are anxiously awaiting our spring season, but we also know there is work to be done during this off season.

We want to thank all of our supporters, donors, alumni, community, volunteers, Furman faculty/staff, friends and family. Our success would not be possible without your support. We also owe a huge thank you to Zen Pilates for their constant support and training. Without a doubt our pilates training had a positive impact on all of our players and their success.

We are going to be providing you with a monthly newsletter so everyone can keep up with the exciting growth of our team! That being said, we need your help and want to know what you are interested in reading about. Please forward any suggestions, comments, and/or feedback so that we may provide you with the best and most up-to-date information on our Lady Paladins.

The Lady Paladins would like to wish you all a wonderful holiday season and a happy and healthy new year! See you on the links...GO PALADINS!
